EXPERIENCE

Manufacturing Technician III

2014-Present

Amway Nutrilite

Quincy, WA

Worked on two facility start-ups and fulfilled a number of roles and responsibilities.

Key Accomplishments:

- Chosen by my colleagues to lead the "Extraction" team during the start-up phase
- Achieved 6 consecutive months without any Quality incidents while "Quality Owner"
- Selected with three others to work on the start-up of an expansion facility which brought in three new processes many new products
- Attained the "Technician III" title
